

LVRAC General Membership Meeting  
January 15, 2025

The meeting was called to order at 7:00 PM PST by Charlie K7CBS

Pledge of Allegiance was conducted.

The attendees were canvased for first timers and new hams.

Introduction: Members and guests with call signs and names - there were 5 visitors in attendance interested in learning more about the hobby and planning to get licensed.

Old Business:

Treasurer Report Jeff Chadwell-W3JSC Treasurer \$10,156.78 a motion to accept was first by Bob Bencsko AD7J and seconded by Al Pistrutto K7OSW motion carried.

Reading of the minutes Chris Jayne KC0NMZ made a motion to wave reading of the minutes from the November 2024 meeting as it has been posted on web site and there were not minutes from the December general meeting due to the Club's Holiday Party, motion was made by Bob Bencsko AD7J and seconded by KK6EJ Koiso Mitsunobu motion carried.

Update from Repeater Committee Gerry Wojciehowski-K9ADY Status of VHF and UHF Repeaters - Gerry spoke with the Maintenance Department at Southern Hills Hospital, and they estimate it will be at least 6 months before access to the roof will be available to move the UHF repeater back to that location.

Amargosa Repeater: Charlie and Vern are working to get router an IP address' configured for the Allstar Network estimated to be complete in February.

Kent Hastings WA6ZFY reported that the UHF repeaters audio had been distorted during the weekly net, Charlie performed a repeater reset the problem seems to be corrected, it was recommended that the 146.910 repeaters information be added to the club's website.

Special Nets:

Steve Loomis K7EAU - reminded everyone to join in on the Thunderbird Net on 28.420USB on Sunday evenings at 7:00pm and also invited everyone to attend the club's Winter Field Day event at Majestic Park, January 25th with set up at 8:00am and planned operating at 9:00 through early afternoon.

New Business:

Presentation: Ron Burski K7PAQ presented a great presentation on the history and development of batteries ranging from automotive to the newest battery technologies, his presentation will be added to the club's website.

Raffle - including a HT.
